60 X RISING 2 YEAR OLD BULLS

"BELLONA"

MT TABOR ROAD, AUGATHELLA QLD

From Morven: Travel 80 km north on the Killarney Road from Morven, turn left onto the Mt Tabor Road (back towards Augathella). Continue 7 km and turn right at the Waterford Road, travel 5.6 km to "Bellona" on the right.

From Augathella: Travel 40 km east of Augathella on the Mt Tabor Road. Turn left at the Waterford Road, travel 5.6 km to "Bellona" on the right.

These bulls are in **Paddock Condition**. They are bred from cows that are joined as yearlings and calved as two year olds. All cows are joined for a period of 12 weeks from October to December. All preg tested empty cows and heifers are culled.

All bulls have been vet checked, scrotal measured, dentition assessed and semen tested by Roma Veterinary Clinic.

They have been morphology tested, weighed and vaccinated for 7 in 1, Vibrio, 3 Day Sickness, Botulism and 3 Germ Blooded.
